## LEFT SIDE VIEW OF CARVAAN GO

**1. SD\*:** In this mode, enjoy your personal collection of songs stored on your personal micro SD card. SD card mode can also be used as Data Transfer Mode. Here you can transfer your personal collection of song, files etc to and from your Laptop/PC.

**2. FM/AM\*\*:** Press the mode button to switch between FM & AM. Your earphones act as signal to FM/AM. To use FM (on internal speakers of GO or your own Bluetooth speakers), you will need to plug your earphones into GO

To auto tune FM/AM stations, follow the steps:

Step 1: Press play/pause button for 5 seconds

Step 2: Searching for all FM/AM signals will start. You will hear a searching sound & each FM/AM station will play for approx. 3-4 seconds till all stations are tuned

Step 3: Press next/previous button to go to next/previous station

FM frequency: 87.5 to 108 MHZ

AM frequency: 520 to 1710 KHZ

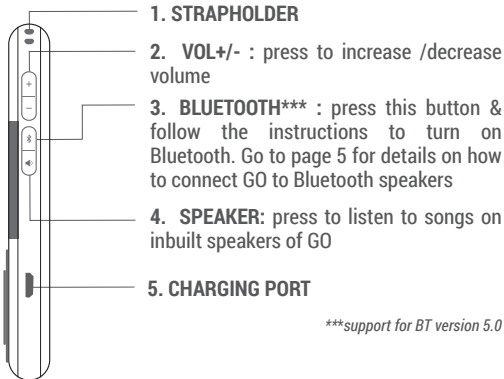

*Note: It is recommended that you do not put the unit on charge while listening to FM/AM as it will interrupt the signal*

**3. SD SLOT:** open the flap to insert your personal micro SD card

*\* support for micro SD card capacity less than or equal to 32GB*

*\*\* AM station will play as per broadcast timings*

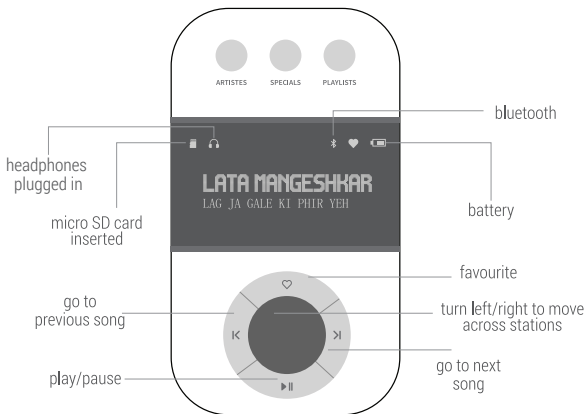

## RIGHT SIDE VIEW OF CARVAAN GO

## BOTTOM VIEW OF CARVAAN GO

## FRONT VIEW OF CARVAAN GO

**ARTISTES:** 25+ artiste based stations like Lata Mangeshkar, Kishore Kumar & others; this is the default mode on first power on/reset

**SPECIALS:** 5+ thematic stations like Romance, Ghazal, Sad etc.

**PLAYLISTS:** 45+ playlists like Yaadein, 80s ka Tadka, Shammi Magic etc.

**RESET:** Press Artistes & Playlists together for 8 to 10 seconds

**SLEEP:** If no button is pressed for more than 90 seconds, screen light will turn off. Press any button to activate the screen

## SAREGAMA CARVAAN APP

Available on the  
App Store

Get it on  
Google play

Download the 'Saregama Carvaan' app from the Apple / Android store to enjoy a host of free and subscription based services.

**Free services** – Use the app to find a song, create playlists to play out on your Carvaan unit.

*Note: To use the app, press the 'Saregama mode' button on Carvaan GO. Connect the app & Carvaan GO using Bluetooth on your phone/tablet.*

**Subscription services** - Subscribe to the app and listen to the songs on your phone/tablet without being connected to the Carvaan GO

Refer to the enclosed insert for steps on how to connect the app and Carvaan GO.

## BATTERY

Full battery charge time: Approximately 2 hours

Battery usage: Approximately 7 hours once the battery is fully charged

## CONNECTING GO TO BLUETOOTH SPEAKERS

**Step 1:** power on your Bluetooth speakers

**Step 2:** press the Bluetooth mode button for 3 - 4 seconds to turn on Bluetooth on GO

**Step 3:** turn the dial left/right or press previous/next button to select the speaker

**Step 4:** press Play/Pause to connect GO to the selected speaker

**Step 5:** once connection is established, the song plays on the selected Bluetooth speaker

**Step 6:** to disconnect, press the Bluetooth mode button & press play/pause button on the connected speaker

**Step 7:** press the Bluetooth mode button for 3-4 seconds to turn off Bluetooth on GO

*CONNECTING GO TO CAR SPEAKERS: Follow all the steps above.*

*If prompted for a pin / passkey, follow the steps below*

1. Press the Bluetooth mode button
2. Use rotary dial and go to 'Change passkey of GO'. Press play/ pause to change the pin / passkey of GO
3. The default passkey of GO is 0000. To change, use rotary dial to change digits from 0-9 and <> to move digits
4. Once all the digits are entered, press play/pause to submit this passkey
5. Follow the steps and reconnect to the car Bluetooth speakers from the list of available devices on GO

*Remember: If you turn on Bluetooth on GO, but do not connect or play out for more than 30 minutes, GO will automatically turn off Bluetooth to help conserve battery*

# SAFETY HANDLING

## 1. CARE FOR PRODUCT

- a. Keep Carvaan GO away from dust and excessive heat (heat registers, stoves etc.)
- b. Prevent spillage of water or any other liquid as this can cause failure of Carvaan GO or could prove to be a potential fire hazard
- c. Clean the unit with a dry cloth only
- d. Do not walk on or pinch the power cord close to the plug
- e. Do not immerse Carvaan GO into water

## 2. CARE FOR BATTERY

- a. Do not expose the battery to heat sources greater than 60°C
- b. Recycle or dispose the battery when essential. Please ensure proper battery handling and disposal methods
- c. Do not subject the battery pack to a mechanical shock

d. In the event of a battery leak, do not allow the liquid to come in contact with the skin or eyes. If contact has been made, wash the affected area with water and seek medical advice

e. For prolonging battery life, avoid discharging the battery completely

## 3. OTHERS

a. Use attachments / accessories as specified on the box

b. To register a complaint or a service request, email [help@saregama.com](mailto:help@saregama.com)

 Waste electrical products should not be disposed of with household waste. Please follow disposal and recycling instructions issued by the concerned local authority.

## WARRANTY OVERVIEW

## WARRANTY TERMS

Warranty is provided only on Product(s) which is purchased from Saregama, Saregama Authorized Dealer, Authorized Reseller or Authorized Online Resellers.

To claim the Warranty Customer will have to mail their request to [help@saregama.com](mailto:help@saregama.com)

The Customer will receive as reply to his/ her email an address on which said Customer may send the defective unit of the Product ("said address").

The defective unit of the Product & Accessories must be sent to the said address (with the original packaging when purchased or similar packaging) at the cost of the Customer. Once the said defective unit of the Product & Accessories is received at the said address, Saregama will dispatch a fresh unit of the Product & Accessories to Customer's address. In the event on receipt, Saregama finds that the allegedly defective unit of Product does not have any defects, Saregama will dispatch the same unit of the Product & Accessories received from Customer, back to the Customer's address.

To avail the Warranty, customer will have to provide the invoice of the unit of the Product purchased by customer to Saregama, either by dispatching it along with the defective unit or by emailing at the email address provided for the same purpose a scanned copy of the said invoice. The replaced unit of the Product & Accessories shall become the property of Saregama.

The European Directive on the Restriction of Hazardous Substances (RoHS) holds electrical and electronic equipment companies directly responsible for the chemical compliance of their products. This means all products must conform to strict standards, provide extensive compliance documentation, and ensure that electrical and electronic products sold in the USA do not contain lead, cadmium, mercury, hexavalent chromium, polybrominated biphenyls (PBBs), and polybrominated diphenyl ethers (PBDEs) above the legal threshold. Manufacturers, owners, retailers, and importers alike need to ensure that their products comply in order to be distributed and sold in USA.

The equipment (Carvaan Go) has been tested and found to comply with the limits of the following hazardous substance in the product as per RoHS guidelines.

- Lead (Pb): < 1000 ppm
- Mercury (Hg): < 100 ppm
- Cadmium (Cd): < 100 ppm
- Hexavalent Chromium: (Cr VI) < 1000 ppm
- Polybrominated Biphenyls (PBB): < 1000 ppm
- Polybrominated Diphenyl Ethers (PBDE): < 1000 ppm
- Bis (2-Ethylhexyl) phthalate (DEHP): < 1000 ppm
- Benzyl butyl phthalate (BBP): < 1000 ppm
- Dibutyl phthalate (DBP): < 1000 ppm
- Diisobutyl phthalate (DIBP): < 1000 ppm

**FC** The FCC Declaration of Conformity or the FCC label or the FCC mark is a certification mark employed on electronic products manufactured or sold in the United States which certifies that the electromagnetic interference from the device is under limits approved by the Federal Communications Commission.

A device that is marketed for use in the home or a residential area by the customer comes under Class B devices which require either Verification, Certification, or Self Declaration depending on the type of product.

Carvaan Go comes under Class-B and it undergoes all the requirements generated by FCC and has received the FCC certificate after going a Declaration of Conformity under the new FCC Doc/Self declaration procedures.
