NEWS & REVIEWS

“If you are fond of old time music then this audio innovation from Saregama is a must- have. Highly recommended.”
Financial Express

“The Carvaan Mini lives up to its name, offering pretty much the same things that the Carvaan does, albeit in a smaller package and at less than half the price.”
The Hindu Business Line

“Given the performance, connectivity and the novelty factor of the Carvaan Mini, it easily ranks very high among the speakers at this price point.”
The Mint

“Music on the go is often associated with mobile phone, Carvaan Go pushes this barrier and introduces an uninterrupted listening experience where there are no phone calls, or message of a poor network to intrude your music experience.”
The Indian Express

“Saregama Carvaan Go is best for long flight or train journey where there is no internet connectivity required to listen to the preloaded content.”
