# NEWS & REVIEWS

“If you are fond of old time music then this audio innovation from Saregama is a must- have. Highly recommended.”  
**Financial Express**

“The Carvaan Mini lives up to its name, offering pretty much the same things that the Carvaan does, albeit in a smaller package and at less than half the price.”  
**The Hindu Business Line**

“Given the performance, connectivity and the novelty factor of the Carvaan Mini, it easily ranks very high among the speakers at this price point.”  
**The Mint**

“Music on the go is often associated with mobile phone, Carvaan Go pushes this barrier and introduces an uninterrupted listening experience where there are no phone calls, or message of a poor network to intrude your music experience.”  
**The Indian Express**

“Saregama Carvaan Go is best for long flight or train journey where there is no internet connectivity required to listen to the preloaded content.”
