# SAREGAMA LIMITED (FORMERLY SAREGAMA PLC) STRATEGIC REPORT

**FOR THE YEAR ENDED 31 MARCH 2020**

---

The director presents the strategic report for the year ended 31 March 2020.

## Business review

The Company's turnover decreased by 12.73% to £1,268,796 from £1,453,913 in the previous year. The gross profit margin for the period decreased slightly to 22.43% compared to 23.73% in 2019. The fall in turnover was due to a fall in product sales. This year the company has made a profit of £192,824 (2019: £7,974) for the year ended 31 March, 2020. The main reasons for this is the reduction in Distribution and Administration costs which fell 88.19% and 66.18% respectively. The company is expected to maintain these results in the coming year.

## Principal risks and uncertainties

The Company is exposed to inherent uncertainties owing to the sector in which it operates. Many risks exist in a company's operating environment and they emerge on a regular basis. The Company's risk management processes focuses on ensuring that these risks are identified on a timely basis and addressed.

The Company is well aware of the above risks and as part of business strategy has put in a mechanism to ensure that they are mitigated with timely action. The Company has a risk management framework to identify, evaluate business risks and opportunities. This framework seeks to create transparency, minimize adverse impact on the business objectives and enhance the Company's competitive advantage.

## Key Performance Indicators

The Company uses -financial performance indicator to monitor and manage the business effectively.

### Financial

Particulars	March 31, 2019	March 31, 2018
	£	£
Turnover	1,268,796	1,453,913
Profit / (Loss) for the financial year	192,824	7,974

## Charitable and political contributions

There were no contributions made for charitable and political purposes.

## Strategic Outlook

The Company will continue to draw its revenues from the Publishing income by monetizing the IPs licensed from its Holding Company. The business will be heavily supported due to consolidation of the new initiative of selling digital device - Carvaan and other physical products like Music Cards.

On behalf of the board

Vinet Garg

### **DIRECTOR'S REPORT**

**FOR THE YEAR ENDED 31 MARCH 2020**

---

The director presents his annual report and financial statements for the year ended 31 March 2020.

On 28 November 2019 the company re registered as Limited company.

#### **Principal activities and future development**

The mainstay of the company's business continues to be music publishing of the rich repertoire licensed by it from Saregama India Ltd. Besides entering into direct deals with the renowned international brands, the company also handles monetisation through various international copyright societies and collection organisations. In addition to the company's on-going business, the company is expanding its operations by selling and distributing through traditional and modern channels a portable digital music player with in-built stereo speakers being marketed under brand name "Carvaan".

#### **Director**

The director who held office during the year and up to the date of signature of the financial statements was as follows:

S Suriyanarayan  
Vineet Garg

(Resigned 16 December 2019)

#### **Results and dividends**

The results for the year are set out on page 7.

The profit for the year, after taxation, amounted to £192,824.

The directors recommend that no final dividend be paid in respect of the year under review.

#### **Financial instruments**

##### ***Liquidity risk***

The company's policy throughout the year has been to maintain the cash flow position within the parameters set out internally at the beginning of the year. The liquidity of the company is limited to by available cash held by the company. At the balance sheet date the company held cash of £21,250 (2019: £159,577).

##### ***Foreign currency risk***

The company is moderately exposed to the risk of fluctuations on exchange rates , which is managed through a discipline of operating within budgeted parameters.

##### ***Credit risk***

The company's exposure to credit risk is moderate and it has no significant concentrations of credit risk. The company monitors credit risk closely and considers that its current policies meet its objectives of managing exposure to credit risk.

#### **Auditor**

In accordance with the company's articles, a resolution proposing that FSPG be re-appointed as auditors of the company will be put at a General Meeting.

**SAREGAMA LIMITED**  
**(FORMERLY SAREGAMA PLC)**  
**DIRECTOR'S REPORT (CONTINUED)**  
**FOR THE YEAR ENDED 31 MARCH 2020**

---

**Statement of disclosure to auditor**

So far as each person who was a director at the date of approving this report is aware, there is no relevant audit information of which the company's auditor is unaware. Additionally, the directors individually have taken all the necessary steps that they ought to have taken as directors in order to make themselves aware of all relevant audit information and to establish that the company's auditor is aware of that information.

On behalf of the board

Vineet Garg  
**Director**  
3 June 2020

**SAREGAMA LIMITED**  
**(FORMERLY SAREGAMA PLC)**  
**DIRECTOR'S RESPONSIBILITIES STATEMENT**  
***FOR THE YEAR ENDED 31 MARCH 2020***

---

The director is responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the director to prepare financial statements for each financial year. Under that law the director has elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the director must not approve the financial statements unless he is satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the director is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The director is responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. He is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

# **SAREGAMA LIMITED**

## **(FORMERLY SAREGAMA PLC)**

### **INDEPENDENT AUDITOR'S REPORT**

#### **TO THE MEMBERS OF SAREGAMA LIMITED**

---

#### **Opinion**

We have audited the financial statements of Saregama Limited (the 'company') for the year ended 31 March 2020 which comprise the statement of income and retained earnings, the statement of financial position, the statement of cash flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2020 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the director's use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the director has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

#### **Other information**

The director is responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of our audit:

- the information given in the strategic report and the director's report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
  - the strategic report and the director's report have been prepared in accordance with applicable legal requirements.
-

**SAREGAMA LIMITED  
(FORMERLY SAREGAMA PLC)  
INDEPENDENT AUDITOR'S REPORT (CONTINUED)  
TO THE MEMBERS OF SAREGAMA LIMITED**

---

**Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report and the director's report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of director's remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

**Responsibilities of director**

As explained more fully in the director's responsibilities statement, the director is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the director determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the director is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the director either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

**Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: <http://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

**Use of our report**

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to him in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

**(FORMERLY SAREGAMA PLC)**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 MARCH 2020**

---

**1 Accounting policies**

**Company information**

Saregama Limited is a private company limited by shares incorporated in England and Wales. The registered office is The Mille, 1000 Great West Road, Brentford, TW8 9DW.

**1.1 Accounting convention**

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

The company has taken advantage of the exemption under section 401 of the Companies Act 2006 not to prepare consolidated accounts. The financial statements present information about the company as an individual entity and not about its group.

Saregama Limited is a partly owned subsidiary of Saregama India Limited and the results of Saregama Limited are included in the consolidated financial statements of Saregama India Limited which are available from 33 Jessore Road, Dum Dum ,Kolkata, India.

**1.2 Going concern**

At the time of approving the financial statements, the director has a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Thus the director continues to adopt the going concern basis of accounting in preparing the financial statements.

**1.3 Turnover**

Turnover represents amounts receivable for royalty income, music events and sale of music discs.

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer (usually on dispatch of the goods), the amount of revenue can be measured reliably, it is probable that the economic benefits associated with the transaction will flow to the entity and the costs incurred or to be incurred in respect of the transaction can be measured reliably.

Copyrights Over their estimated useful lives

**1.4 Tangible fixed assets**

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Company website	20% straight line
Fixtures, fittings & equipment	25% straight line

**SAREGAMA LIMITED**  
**(FORMERLY SAREGAMA PLC)**  
**NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)**  
**FOR THE YEAR ENDED 31 MARCH 2020**

---

**1 Accounting policies** **(Continued)**

**1.5 Fixed asset investments**

Interests in subsidiaries, associates and jointly controlled entities are initially measured at cost and subsequently measured at cost less any accumulated impairment losses. The investments are assessed for impairment at each reporting date and any impairment losses or reversals of impairment losses are recognised immediately in profit or loss.

A subsidiary is an entity controlled by the company. Control is the power to govern the financial and operating policies of the entity so as to obtain benefits from its activities.

**1.6 Stocks**

Stock includes music cards which is valued at cost.

**1.7 Cash and cash equivalents**

Cash and cash equivalents are basic financial assets and include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

**1.8 Financial instruments**

The company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the company's statement of financial position when the company becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

***Basic financial assets***

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

***Other financial assets***

Other financial assets, including investments in equity instruments which are not subsidiaries, associates or joint ventures, are initially measured at fair value, which is normally the transaction price. Such assets are subsequently carried at fair value and the changes in fair value are recognised in profit or loss, except that investments in equity instruments that are not publicly traded and whose fair values cannot be measured reliably are measured at cost less impairment.

**SAREGAMA LIMITED**  
**(FORMERLY SAREGAMA PLC)**  
**NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)**  
**FOR THE YEAR ENDED 31 MARCH 2020**

---

**1 Accounting policies**

**(Continued)**

***Impairment of financial assets***

Financial assets, other than those held at fair value through profit and loss, are assessed for indicators of impairment at each reporting end date.

Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows have been affected. If an asset is impaired, the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in profit or loss.

If there is a decrease in the impairment loss arising from an event occurring after the impairment was recognised, the impairment is reversed. The reversal is such that the current carrying amount does not exceed what the carrying amount would have been, had the impairment not previously been recognised. The impairment reversal is recognised in profit or loss.

***Derecognition of financial assets***

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the company transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

***Classification of financial liabilities***

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

Basic financial liabilities, including creditors, bank loans, loans from fellow group companies and preference shares that are classified as debt, are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

***Other financial liabilities***

Derivatives, including interest rate swaps and forward foreign exchange contracts, are not basic financial instruments. Derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value. Changes in the fair value of derivatives are recognised in profit or loss in finance costs or finance income as appropriate, unless hedge accounting is applied and the hedge is a cash flow hedge.

Debt instruments that do not meet the conditions in FRS 102 paragraph 11.9 are subsequently measured at fair value through profit or loss. Debt instruments may be designated as being measured at fair value through profit or loss to eliminate or reduce an accounting mismatch or if the instruments are measured and their performance evaluated on a fair value basis in accordance with a documented risk management or investment strategy.

**SAREGAMA LIMITED**  
**(FORMERLY SAREGAMA PLC)**  
**NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)**  
**FOR THE YEAR ENDED 31 MARCH 2020**

---

**1 Accounting policies** **(Continued)**

***Derecognition of financial liabilities***

Financial liabilities are derecognised when the company's contractual obligations expire or are discharged or cancelled.

**1.9 Equity instruments**

Equity instruments issued by the company are recorded at the proceeds received, net of transaction costs. Dividends payable on equity instruments are recognised as liabilities once they are no longer at the discretion of the company.

Changes in the fair value of derivatives that are designated and qualify as fair value hedges are recognised in profit or loss immediately, together with any changes in the fair value of the hedged asset or liability that are attributable to the hedged risk.

**1.10 Employee benefits**

The costs of short-term employee benefits are recognised as a liability and an expense, unless those costs are required to be recognised as part of the cost of stock or fixed assets.

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the company is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

**1.11 Leases**

Rentals payable under operating leases, including any lease incentives received, are charged to profit or loss on a straight line basis over the term of the relevant lease except where another more systematic basis is more representative of the time pattern in which economic benefits from the leases asset are consumed.

**1.12 Foreign exchange**

Transactions in currencies other than pounds sterling are recorded at the rates of exchange prevailing at the dates of the transactions. At each reporting end date, monetary assets and liabilities that are denominated in foreign currencies are retranslated at the rates prevailing on the reporting end date. Gains and losses arising on translation in the period are included in profit or loss.

**2 Judgements and key sources of estimation uncertainty**

In the application of the company's accounting policies, the director is required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

**SAREGAMA LIMITED**  
**(FORMERLY SAREGAMA PLC)**

**16 Events after the reporting date**

The emergence of the Covid 19 pandemic in February/March 2020 has had a significant impact upon the economy and the operating practices of all businesses. Saregama Limited, in conjunction with government guidelines, swiftly moved to a remote working operating structure which materially reduced the risk to employees whilst maintaining full operational capacity to support our clients in what is a period of financial stress.

The business is primarily internet based already and the company was able to make sales in February and March 2020. The Director anticipates that the business will manage to continue through the pandemic period, and to remain a profit making business.
