

## MUSIC -The Perfect Gift for Your Loved Ones

There are soulful lyrics that console you during a heartbreak, beautiful voices that describe your love for someone special. Songs that lift you up or bring you down with a particular memory or a moment in time. Music is eternal and this is why it is the perfect gift for friends, family and employees.

In its latest offering, Saregama India – the country’s largest owner of this timeless collection of music, launched Saregama Music Cards in April, 2016. Each music card comes with 150+ HD songs pre-loaded on a 4GB USB memory card, making it convenient to use on laptops, computers, car music systems and any other USB port.

Within weeks of its launch, these music cards revived the music category on India’s leading e-commerce website, Amazon and became a best seller product in that category. **The past 5 months has also seen orders for corporate gifting from various industries such as Pharmaceuticals, Automobiles, Banking, etc. Over 1 lakh music cards have been ordered and customised as per requirements.** Kishore Kumar and Lata Mangeshkar songs are the usual favourites but given Saregama’s extensive portfolio of regional languages, cards for Malayalam songs by Yesudas, Tamil songs by Ilayaraja and Rabindra Sangeet in Bengali is also something that is being undertaken.
